We would not have been able to achieve the results we here present without the guidance and encouragement of the members of the Advisory Board Member of the SoPHIA project, namely Pat Cooke (University College Dublin), Evinc Dogan (Bogazici University), Beatriz Garcia (University of Liverpool), Antonio Lampis (Director of the Department of Culture and Environment of the Autonomous Province of Bolzano/Bolzen), Rob Mark (Pascal Observatory - Learning cities network-LCN), Christine Merkel (UNESCO's expert on Cultural Governance), Kathrin Merkle (Council of Europe), Marcello Minuti (Fondazione Scuola dei Beni e delle Attività Culturali), Erminia Sciacchitano (Cabinet of Italian Ministry of Culture).

Finally, we should also thank the stakeholders and the Community of Practice of the SoPHIA project, whose participation made it possible to carry out the research.
